

Munch A Lunch Login & Panago Fundraiser

The ordering process is all online. You can reach the Lunch-a-Munch website via our school's website or: www.munchalunch.com/schools/mountainview On our school webpage, click the students and parents tab and then the "PAC Corner". At the bottom right you will find the link for the website. For your password I suggest choosing something easy to remember as this will be your password for the program until your children leave Mountain View. All of your children go under the same account. Once you've set up your account, click on "fundraising" and the program will prompt you through the rest. After your account is created, any further activity with Munch-a-Lunch can be made through the login link on our school website or through this address: www.munchalunch.com. Payment can be made using a credit card.

Purchase Panago Coupons

We are excited to announce the second PAC fundraiser Panago coupons. Coupons are available for purchase through Munchalunch (www.munchalunch.com). These coupons cost \$12 and are redeemable at any Panago location for a medium sized pizza with any toppings! We are utilizing munchalunch this year for fundraisers other than hot lunch to create a more contactless experience for all involved. This means coupons are only available for sale online via a credit card. We apologize for any inconvenience. Because of this, **orders MUST be placed and paid for by midnight April 30th** -reminder emails will be sent. Coupons will be sent home with your child on May 6.

Don't forget to ask family members or your community if they would like some pizza too! Thank you so much for all your continued support of Mountain View school during these challenging times!

Here are just some of the things we have committed to contributing to this year:

- Gym/outdoor play equipment
- STEAM supplies
- Ensuring all Mountain View students have access to healthy food at school
- Community Giving
- Classroom supplies
- Supporting Mountain View families in times of need

Thank you for continuing to support our Mountain View School Community. We appreciate you!
