

Munch A Lunch Login & Hot Lunch

Thank you to our PAC – there will be two hot lunches and two popcorn times for May/June 2021!

The dates are:

May 26 – Pita Pit

June 2 – Popcorn

June 9 – Panago

June 16 – Popcorn

Orders for all four lunches will be due by midnight on May 18.

The ordering process is all online. You can reach the Munch A Lunch website via our school's website or: <http://www.munchalunch.com/schools/mountainview>

On our school webpage, click the students and parents tab and then the "PAC Corner". At the bottom right you will find the link for the website. For your password we suggest choosing something easy to remember as this will be your password for the program until your children leave Mountain View. All your children go under the same account. Once you've set up your account, click on "hot lunch" and the program will prompt you through the rest. After your account is created, any further activity with Munch-a-Lunch can be made through the login link on our school website or through this address: <http://www.munchalunch.com>

Payment can be made using a credit card. Thank you so much for all of your continued support of Mountain View school during these challenging times!

Here are just some of the things we have committed to contributing to this year:

- ωGym/outdoor play equipment
- ωSTEAM supplies
- ωEnsuring all Mountain View students have access to healthy food at school
- ωCommunity Giving
- ωClassroom supplies
- ωSupporting Mountain View families in times of need

Thank you for continuing to support our Mountain View School Community.

We appreciate you!

The Mountain View PAC
